

The EMDEON CLINICIAN retails to IPA members for \$99.99/month per practitioner. (A one time set up fee of \$99.00 is the only additional expense) There are no additional or hidden charges and the price is guaranteed through December 31, 2012.

The EMDEON CLINICIAN requires no special hardware or network server.

The HIPAA compliant Clinician EMR requires only a basic Laptop/Desktop and Printer/Scanner.

Your Data can be securely accessed through any internet portal.

ACHIEVING MEANINGFUL USE CERTIFICATION IN 2011 & 2012* POTENTIAL INCENTIVE OF \$ 30,000 FOR ELIGIBLE PROVIDERS

The Meriden – Wallingford IPA is excited to announce that it has entered into a unique partnership with Emdeon, one of the nation's largest health information technology companies. This partnership will give your practice access to a Certified Meaningful Use Electronic Medical Record designed specifically for small offices and even smaller budgets. The Emdeon Clinician EMR is affordable, user friendly, and supports your existing workflow.

FUNCTIONALITY BUILT INTO THE EMDEON CLINICIAN INCLUDES

- ✚ ePrescribing, Computerized Physician Order Entry (CPOE), and electronic laboratory results from IPA partners including Clinical Lab Partners.
- ✚ Unlimited clinical messaging among physicians, hospitals, pharmacies, labs, and patients.
- ✚ Cross-referencing medication histories, payer formularies, and drug usage reports when ePrescribing.
- ✚ Access reports from any internet connection anytime and anywhere.
- ✚ Monitors your progress in meeting the Meaningful Use requirements and will automatically generate the reports to CMS for your 2011 and 2012 incentive payments of \$ 30,000.
- ✚ Organizes hospital and laboratory reports electronically, replacing multiple practice modules including verification, printing devices and fax machines.
- ✚ For an additional monthly fee of only \$50.00, a practice can add on eligibility & benefits verification, claims processing and management, and other practice administration functions.

***\$ 18,000 for 2011 and \$12,000 for 2012**
